

Peace, Progress & Equality

A Demand for Action **RALLY**

Friday January 31st

1pm - 1.30pm

BELFAST CITY HALL

STRONGER TOGETHER

CONGRESS

Irish Congress of Trade Unions
Northern Ireland Committee

Northern Ireland has been confronted by political paralysis for the past year.

During this time we have all witnessed:

- **A rise in violence by paramilitary groups.**
- **A rise in inter-community tensions over flags and parades, etc.**
- **Stubbornly high unemployment.**
- **A rise in social exclusion through austerity and welfare reform.**
- **Cuts to Public Services.**
- **Attacks on our economy.**
- **Political stalemate.**

All of these demand a political dynamic based on our political parties reaching accommodations rooted in common community interest. We need Political Parties to reach accommodation and agree a way forward.

The Trade Unions are encouraging the public to support this initiative.

Everybody is more than welcome to attend.

We request that only Trade Union banners be brought.
