Take a stand for Palestine!

Join us and take action to call for an end to government and corporate complicity in Israel's atrocities and mobilise for greater workplace actions in solidarity with the people and workers of Palestine.

You can do this by:

- **Taking a Stand** in our workplaces at 1pm on November 28th.
- **Taking a photo** with banners and signs and share on Social Media.
- **Lunch-and-Learn Sessions:** Discussion sessions about how we can make our support for BDS more effective.
- **Email the Taoiseach** Micheál Martin, the Tánaiste Simon Harris, members of the cabinet
- **Circulate a petition** calling for the divestment of pension fund holdings from companies complicit in Israel's attacks.
- **Consider becoming an apartheid free zone:**
